Notes for Johann Peter Voltz:

Joseph Foltz came from Germany to Philadelphia, PA on the ship Anderson on August 26, 1751 from Rotterdam, Hugh Campbell, Master; last from Cowes, 236 passengers, 50 Catholics.

The name Foltz in early records was written as Voltz, Fultz or Fols. From Rupp's collection of 30,000 Immigrants to Pennsylvania, we find listed 20 Foltz names as arriving from 1727 - 1771.

Joseph Foltz was a soldier in the Revolutionary War and it is a tradition that he served with his son Joshua and that they guarded Hessian prisoners at the barracks at Winchester, Virginia. Joseph and Joshua were only Foltz listed as soldiers from Shenandoah Valley or Shenandoah County in the Revolutionary War records of Virginia.

JOSEPH FOLTZ - Infantry. The name appears on Army Registration but not as receiving bounty land. Pvt. W. D. Record is with the War Department.

In the first census records of Shenandoah Co., Virginia under the list of Alex White, we find listed JOSEPH FOLTZ - 3 white; Peter Foltz - 8 white; John Foltz - 9 white. This is from the 1783 tax lists.

In Deed Books of 1790, JOSEPH FOLTZ and Mary his wife - by patent. JOSEPH FOLTZ is mentioned again in deeds in 1795 and finally in 1802 as Joseph Fultz. Wayland's history of Shenandoah Co., Virginia reports that one of the members of the Lutheran Church near Woodstock, VA was George Foltz (a son of JOSEPH FOLTZ who as a father of 25 children, all growing to maturity).

The History of the Lutheran Church in Virginia and East Tennessee by Cassell, 1930, age 10, says Peter Foltz and JOSEPH FOLTZ were early members of the Zion Church near Woodstock in Shenandoah Co., VA.

In lists of marriages of Shenandoah Co., 1772 - 1850 we find 67 Foltz's listed.

The first record found of any Foltz by this writer was Melchior Foltz, who was listed as living in Livingston manor, N.Y. the winter of 1710-1711.

We have no records of the children of JOSEPH FOLTZ, except George Peter Foltz. We have not proved that Joshua was a son, it is only as passed down as tradition. It might be possible that a Peter Foltz arriving in Philadelphia on August 11, 1950(?) might have been a bother to Joseph.

List of Shenandoah Co., Marriage Bonds:

George Fultz and Mary Rugle, Jan 3, 1787 - Peter Hotter, Bondsman

(Marriage dates of the children were also taken from the Shenandoah Co. List of marriage bonds.)

The birthplace of George Peter Foltz is not established, but was likely in Virginia. However, in Powell Memorial Family History, it states he was born in Germany and emigrated to America in the eighteenth century.

George Peter lived in Shenandoah Co., VA and was a member of the Zion Lutheran Church near Woodstock. He held various offices in this church. Mary his wife and three of their children died during the plague of bilious fever that struck the valley during the unusual Autumn of 1804.

He left a will written in 1839 in which was indicated that Joseph Foltz was his father. It named seven children as heirs but no wife was listed. At an earlier date he journeyed to Fairfield Co, Ohio where he purchased land for his son Balthes Foltz and he signed the deed in German. The story goes that he stuck his whip into the ground near a spring and it grew into a willow tree.

Mary Rugle may have been a daughter of "Johannes Rooghel" who came to Philadelphia from Germany on the ship VERNON in 1747.

First, he attended the district schools and afterwards the Findlay High School, and being very studious in his disposition, made the best possible use of his time in the common and High School. He was one of the patriotic young men that offered their services to the Government when the war of the Rebellion came on, enlisting in company H, Twenty-First Ohio volunteer infantry, and served one year. He was in the battle of Stone River, and in the battle of Chattanooga, and saw considerable hard service. In 1865 he began reading medicine with Dr. E. B. Hiester, and graduated from the Western Reserve University at Cleveland, Ohio in 1870. He began the practice of his profession at Kirby, Wyandot Co., Ohio, remaining there until 1875, when he removed to Lima, Ohio and established himself there in the practice of medicine.

He was a member of the Northwestern Medical Society, and of the Trinity Methodist Episcopal Church of Lima, Ohio. Dr. Foltz was much devoted to his profession, and answered calls without regard to the standing or wealth of those in need of a physician, for his desire was to heal the sick -- compensation therefore being with him a secondary consideration.

From History of North West Ohio -- Winter:

"Dr. Foltz widely known as an authority and a specialist in treatment of many aggravated cases of Bright's disease and diabetes.

The lesson of self dependence was learned early in life and he had to become self supporting at an early age after his family was broken up due to the death of his mother.

He earned his education and the development of his unusual talents has been due to hard work and an ambition to excel. He received his B.S. degree from Northern University in 1887. He then taught school and when his means justified it he took up study of medicine and in March 26, 1896 graduated from Starling Medical College, now the Medical Department of Ohio State University. He had four certificates of Post Graduate Courses and for three years practiced with his brother Dr. Tobias Foltz of Lima, Ohio. He then located in North Baltimore, Ohio. Patients came to him from all over Ohio and other States for treatment of Bright's Disease and Diabetes. He prepared and read a paper on these diseases before the North Western Medical Society at Tiffin, Ohio. He received most profound attention and was widely commented on."

The family is buried in Maple Wood Cemetery.

From a History of the E.U.B. Church in North Baltimore, Ohio by Ruth Chase:

"And while mentioning names of early members who played an important part in its early history we must not forget the Foltz family -- Dr. George Foltz, his brother Henry, sisters Mrs. Reid and Mrs. Katzenmyer -- all of them indefatigable church workers and wonderful singers. One of their descendants is Carroll Foltz who is still with us and still faithful to the church of his forbears. Many of us still remember Dr. George Foltz who served many years as our Sabbath School Superintendent, and though busy night and day, as most doctors were at that time, he still found time for church activities and met with the children to drill them in special songs for programs such as Easter, children's Day and Christmas."

The baptismal font was presented to the Church by the survivors of Dr. Earl Foltz in his memory. He was the son of Dr. George Foltz.

He got 21 of the medals today at the air force base (Scott air Force Base, Illinois). Foltz already has two South Vietnamese Government medals - a Gallantry Cross and silver Star and the Air Gallantry Cross with bronze wings. He also has been recommended for a Silver Star in addition to the other U.S. awards he'll receive today from Maj. Gen. Richard P. Klocko, commander of the air Force Communications. His boxscore: the two South Vietnamese awards, 16 Air Medals, three Distinguished Flying Crosses, the Bronze Star and the Purple Heart.

The Air Medals represent 389 combat missions. Mr. Foltz said "my squadron flew the C123 transport on defoliation runs. That means our pilot brought the plane in over the trees from five to 200 feet above them to spray the chemical. We sprayed areas of known Viet Cong infestation or known supply routes. We were real good targets and most of the time those ground gunners didn't miss.

The Plane that carried the crew of which Mr. Foltz was a member sustained about 107 hits from rifle, machine-gun and cannon fire during his tour in 1966.

He received his Silver Star recommendation and his Purple heart June 1966, when the windshield disintegrated from ground fire. The pilot was hit in the head and was bleeding pretty badly. The Co-pilot and I were hit too. I got the bleeding stopped on the pilot and helped our wounded Co-pilot bring the plane in."

FREEZES FEET IN DASH FOR HELP
Girl of 16 Has Bitter Experience

Luella Foltz, 16, daughter of Mr. & Mrs. Cloice Foltz of Bonfield rural route 1, is a patient in St. Mary hospital recovering from exposure during the subzero weather of Wednesday night.

About 3 o'clock Thursday morning when the Foltz home was totally destroyed by fire she ran a half mile for help, barefooted and clad only in night clothing. Her feet wee badly frozen.

Mr. & Mrs. Foltz and their nine children, including a baby less than a week old, were forced to flee from the burning home without taking time to dress. They took refuge to the corn crib until the daughter brought help. Later they were taken to the home of a neighbor Jesse Wilson.

The house and contents were destroyed. The plight of the family was reported to the Kankakee Red Cross by Edward F. Schwark, Salina Township Supervisor, and that organization has furnished clothing for the entire family, including sweaters, nightwear, hose, underwear, wrappings for the baby, and bed clothing.

News of the girl's heroic trip through the snow and cold came to the Republican-News a day late because telephone service between Kankakee and Bonfield was interrupted by the storm.

Their home burned on Feb. 9 1933 when Luella was 16 years old. There was no time to dress or find shoes, so she ran to the home of Jesse Wilson barefoot for help. A bitter northwest wind whistled through the trees and it was 22 degrees below zero. When Wilsons came for our family and we were all safe in their house, it was discovered that Luella's feet were badly frozen. It was an arduous trip to the hospital. It was feared for a time that they would have to amputate both feet. Mom refused to sign the papers permitting amputation but soon improvement set in and the danger was past. For a long time after she left the hospital she hobbled about, but her natural vigor, plus her determination overcame the lameness and now she walks as well as ever. She was awarded a "PRAIRIE FARMER" hero medal and never was one more richly deserved!

In 1934 she went to work for Wendlings, then on to Kankakee to work at Blatz Junk Yard and roomed with Mr. and Mrs. Porter Smith. She went to Chicago in 1935 to work for Gardners who were transferred to Philadelphia in 1936. She stayed with them for seven months then began working for Grundys and stayed with them until returning to Illinois to marry Melvin Watson. They lived with Melvin's grandfather, William Shutters, for a while after they were married. They also lived in Monee, Hammond, Harvey, Bradley and Joliet to where their business had expanded. They sold the business in 1983, retired and moved back to Bradley, IL.

After Pearl Harbor, he and Ruth returned to Norfolk, where USS ALABAMA was being put in commission. He served in ALABAMA until 1945 in combat operations in the Arctic, European, and Pacific Waters. While in the Pacific, he detected and correctly evaluated the initial enemy approach for attack in the Marianas Campaign in June, 1944, giving a vital warning to the Task Force, which resulted in the destruction of the enemy and the saving of many American lives. For this, he received the Bronze Star Medal with "V".

John then joined Westinghouse Electric Corporation and was a Fellow Engineer at their Leesburg laboratory until it closed in 1974. From 1974 to 1976, he was a student at Lord Fairfax Community College in Animal Husbandry. In 1976, he was asked to be a physics professor at the college. He then taught physics and sometimes mathematics until he retired in 1983.

He was a member of St. James Episcopal Church in Leesburg and also served as a Director of the Loudoun Speech and Hearing Center. He was an avid reader on all subjects but his particular interests were military history, American Civil War and animal husbandry.

John suffered a heart attack in January, 1984, and during his recovery made plans for travel with his wife. He died on January 24, 1985. He is survived by his wife, Ruth, two sons, Michael and Peter, three daughters, Sheila, Norah, and Eileen. A third son, Thomas, predeceased him.
