Register Report for William Prince

Generation 1

1. **WILLIAM¹ PRINCE** was born about 1788 in Candys Creek, McMinnville, Tennessee, USA. He died in 1850 in Lawrence, Kentucky, United States. He married (1) **LAURIE FYFFE** in 1798. He married (2) **RACHEL MURPHY** about 1810 in Russell, Virginia, USA. She was born about 1784 in Tennessee, USA. She died in Lawrence, Kentucky, United States.

Notes for William Prince:

We know that William Prince was named William D. Prince as the 1850 census of Habersham county shows this, and also the 1850 delinquent tax list of Habersham shows the same name. The 1850 Murray county GA census shows William enumerated without his middle initial, but there is no doubt it is the same family (with a few unsurprising discrepancies) that appears in 1850 Habersham. As Joseph Prince owned land in Murray county GA in 1850, it is certainly likely that William was residing on that land once he left Habersham. (Phil Prince <philprins@hotmail.com>)

Notes for Laurie Fyffe:

There is no evidence that this is correct. It is most likely that Laurie Fyffe married some other William Prince.

Notes for Rachel Murphy:

Rachel filed for divorce on Dec 21, 1835 stating that she and William had moved back to Lawrence Co. abt 1828 and in 1829 he had deserted her and taken up with Arty Mullins.

(According to my Great Aunt Emma Prince Thompson, Carter Prince's Grandmother was a Gregor. She was the only child of a rich silk weaver from Ireland who was one of the first, if not THE first silk weaver in America. The Gregor's did not like their daughter's choice of Thomas Prince as a husband, so they begged her not to marry him, but she eloped and her father disowned her. He later changed his mind just before he died and sent for her, but her husband Thomas would not let her go. She was the only heir of money and wealth, but received nothing. I have no clue as to how this fits here and may be totally irrelevant - Ted Griffin)

William Prince and Rachel Murphy had the following children:

2. i. **JAMES² PRINCE** was born on 06 May 1814 in Lawrence, Kentucky, USA. He died on 28 Apr 1892 in Lawrence, Kentucky, USA. He married Mary Elizabeth Hensley on 18 Apr 1837 in Lawrence, Kentucky, USA. She was born on 15 Dec 1818. She died in Feb 1876.

Hello Paul,

I copied the James Prince marriage from a list of Prince marriages recorded in Lawrence Co., KY, among whom was a record showing James Prince married Elizabeth B. Hensley in 1837. No day or month was given, whereas all other marriages had the full date. I also have a letter from Mr. Donald Young, a direct descendant of James Prince, that states the wife of James Prince was Elizabeth Hensley. I scanned through my records of Prince's in Lawrence County but did not find any reference to Elizabeth Powell. Regards, Ron (Prince)

Notes for Lavina Phoebe Griffith:

Lavina Phoebe Griffith and John Prince

Lavina Phoebe Griffith was the fourth child of David and Sarah Jane Griffith. She married 7 April, 1840 at David Griffith's home in Lawrence County Kentucky. She married John Prince and was married by Walter Osborn, JP. Witnesses were Robert and Susannah Griffith. John Prince was the son of William Prince and Rachel Murphy. He was born 8 February 1818 in Virginia. John Prince was a Baptist Minister and a farmer. But he also owned and operated a grist mill at Irad, known as Prince's Mill. At one time, he served as Lawrence County surveyor. Family stories always mention how John Prince would wear a shawl on his shoulders when riding his horse.

The 1850 census of Lawrence County, Kentucky, household number 578, lists John Prince, wife Lavina, five children and Eden Rice, a 14 year old boy born in Kentucky. The census indicates that John could read and write, but Lavina could not. In household number 534 of the 1860 Lawrence County Kentucky census, John and Lavina are listed with eight children. Also listed in their household, as boarders, are Rachael Prince, age 80 and Clara Prince, age 60. Neither of these women could read or write and Clara was identified as being insane. Rachael was probably John's mother.

John died 23 May 1887 in Irad (Lawrence Co., KY) and Lavina died 10 April 1900 also in Irad. Both were buried in the Prince Cemetery in Irad, Kentucky. These graves were moved to the Yatesville Memorial Centery because of the Yatesville Dam and Lake project. This relocated cemeteey is near Bussyville, Lawrence County, Kentucky. The Army Corps of Engineers installed a marker designating the relocated Prince Cemetery. John, wife Lavina, and daughter Derecie, are buried in the front left-hand corner of the cemetery.

Notes for Thomas Prince:

Transcribed from a taped interview with Sarah Delia Prince Forrest, granddaughter of Thomas & Mary Jacobs Prince, August, 1972 by Ted Griffin.

My brother George Shelby Prince was appointed guardian and administrator of (our) farm after my Mother (Jenny Large Prince) and Father (John Franklin Prince) died. He could remember all that stuff about the family. (My brother) Scott was the youngest and he always took his vacation in the summer and went back to the old home place. That was when George lived there. Those two were always interested in the family history and once they went back in what I think was called Breathett County where Thomas Prince had lived. Well, the house wasn't there but Scott said there was an old man there that showed them where the old house set. Of course that's been so long ago that no one would be there now that would know about it. I don't know where that country is, if it's close to Lawrence County or not. You'd have to get a map.

They always told me that Prince was a French name. George always told that there was some Indian blood in the family, we all had high cheekbones, but (Grandma) Mary Jacobs didn't look like an Indian at all. She lived to be about 82 years old and she died just before my father did, about a year or two. She had a younger daughter named Kate (Catherine). Kate was the youngest and after (her dad) Thomas was killed she lived with her her Mom, even after she got married. Then one time when my father bought an adjoining farm that had a house on it why she lived there one time for about a year or two. You see, she got a government pension because her husband was lost in the Civil War. My father was only 7 years old when Thomas left for the Civil War and Willis Prince raised him. Willis Prince must have been an Uncle of his, or Thomas' brother. (note: Thomas had a brother Wilson but there are no other Princes named Willis.) Then there was Aunt Emily, she married a Derrifield and they went to Wenatchie, Washington and took up a homestead, and my father used to hear from them. It was great fruit country out there and my father always heard from them once in a while. They had two girls and two boys. They came back the next year after my father passed away. Aunt Emily had died and this Derifield had a second wife, and these two boys was about my age and a girl about 17. I think there was a girl and a boy that was married. My hair was always real light brown, the rest of the kids all had black hair, and my father always said I had hair like Aunt Emily. When they came back, I was only 12 or 13 years old, and they wanted to take me to Washington with them to be just one of the family, but my brother was guardian and administrator and he said he was going to keep us all together. Aunt Emily died about a year before my father did.

I remember when Aunt Mary died, she left one daughter. Aunt Kate (Catherine) was the youngest. Now you have a Lottie listed, and I don't know anything about her. Aunt Becky (Rebecca) wasn't a sister to my father, she was his Aunt! She was real old so she must have been Thomas' sister. She just went around and stayed with the different relation, she was a little old skinny woman. Now Thomas would have been born over around there in Brethitt County. See, Scott was hunting up the family history and of course Scott passed away and his second wife sold the property and let the boys take what they wanted, and what they done with the history I don't know. Scott and George went to Breathitt County and the house was gone but an old man there told him where the

Generation 2 (con't)

house had set. That was where Thomas was born.

Scott had three sons. Bob's the youngest. He took a lot of the stuff. He was in Roanok when Scott died and Scott's wife told the boys to take what they wanted. Her mother had died and had a 1-floor plan home and she was going there to live and sell Scott's big 2-story home. Bob took a whole truckload. Then Jim came from Savannah, Georgia and he took what he wanted. Bill (or William) is the eldest and was in California with the space program as an electrical engineer. He was one of the first to get laid off in the government cut-back. Then he went back to Philadelphia and I don't know his address there.

By my father and mother passing away when I was just a kid, I never learned much about the family, just what I got from George. He was older. The old home-place, up on Twin Branch, they drilled up there for oil and gas. Then they tapped it up. They claim there's gonna be a lake put in up there and that land's gonna be bought up. The roads up there never were too good, but the oil rigs tore them up even worse. My brother Webb (Ulysses Webb) was a baby when my parents bought that farm and moved there. The rest of us was all born and raised there on Twin Branch. When my father bought that adjoining farm, Mary (Thomas' wife) lived there two or three years. You could see the house from our place. It wasn't very far. She lived by herself but it wasn't over a couple of blocks away. It was just across the road from our house in that level strip. They drilled for oil in the bottom past the house there. I've always heard it told that my Father John Franklin Prince was three when Thomas left for the Civil War and his Uncle Willis (Wilson?) raised him. My brother Webb named his oldest boy Willis. In the 2nd World War he enlisted in the Air Corps and just about the time the war was over, their plane was shot down and the whole bunch was gone.

I don't know why (Gma) Mary couldn't raise the children and they had to go live with relatives. I wasn't big enough to remember hearing. I was just 11 in December and my mother died in January. Then the next December I had Typhoid fever. Webb had it and my father had it. We was already up and well but my father's heart was weak and he passed away.

I don't know if Thomas and Mary had owned a farm, rented or what. Why she didn't hold the family together I don't know. My father was only three years old, and Kate was the baby. The oldest was probably 15 or 16 if you say (his son) Carter went to War with his dad, so there was a house full of children. If they didn't own a farm, who was going out there in them hills to scratch out a living, I don't know.

My father (John Franklin Prince) was the rural mail carrier up there. There were several Post Offices there from where we lived into Louisa. He'd start off a morning and head for Louisa, get in there, eat lunch, feed the horse, then start back, stopping at all the places.

After the War, (Grandma) Mary got a pension, that's what she lived on when she lived there by us. Then she lived with (my Sister) Kate. She was there when she died. She died in her sleep. She had told them some time before that she wanted to be buried there in John's family cemetery. I remember that well, I was a kid in school down there at the fork where Twin Branch separates. The school is just up the upper Twin Branch road a little piece. A fellow came on horseback and told the older kids (I was just in first or second grade) the grandmother had died. She was tall, straight and lived to be about 82 (actually 79). She didn't resemble an Indian at all. She must have been pretty young when Thomas was killed. Probably in her 30's (actually 37). Then she lived with Kate after Kate was married whose real name might have been Catherine (it was) and I can't remember her last name. I never heard of Lottie, but I remember Mary (Elizabeth) as one of the children. (Grandma) Mary had one daughter who went to live with the Adams' that had a general store and Post Office. Mrs. Adams needed someone to help out in the store. That was there on Twin Branch. This girl later married a Burton. My Brother George's daughter Faye lives in Louisa. His daughter Nellie is the oldest and she lives around East Liverpool, OH.

PRINCE HISTORY as told to me by Mysie Hupp Prince -

"The Princes came through the Cumberland Gap into Kentucky with the first pioneers. Along with them came the Jacobs family who had a son that married a Cherokee Indian girl. This couple had a child named Ruth(??) Jacobs and this girl grew up and married Thomas Prince. They had two sons and four daughters. The sons were Carter and John and the names of two of the girls were Mary and Lou. Thomas went to the Civil War taking his eldest son with him who was Carter.

Generation 2 (con't)

When it was learned how young Carter was, he was sent home but he had served his training period. Thomas never returned according to this informant and was either killed in the war or else died from his wounds shortly after. The last time he was seen alive, he was drinking from a creek and had a very bad wound. He and his wife did not get along well so some thought he could have decided to stay away. Ruth(?), being half Indian was a problem and her Father had advised Thomas to not marry her for fear they would not be happy. "

Tombstone reads:

Thomas Prince
Company B. 14th Regiment
Kentucky Infantry
1823-1864 (age 41)

Notes for Mary S. Jacobs:

After Thomas was killed in the Civil War, Mary had two children fathered by a man to whom she was not married. For this reason, her son Carter did not ever talk about his family. (This was told to Mabel McComas Hall by her mother, Alice Prince McComas, who was Carter's daughter. Rosella Thompson Ash told it to me, Ted Griffin)

I have been to an old house in Lawrence County, KY, with my mother Dorothy Griffin in 1973. I have later learned that this abandoned house was the George Shelby Prince home, soon to be flooded by construction of a dam. We had traipsed all over Lawrence County it seems in search of the cemetery where Thomas Prince might be buried. We eventually found the graves and I shall never forget that night, picking the TICKS out of my hair and beard. (Ted Griffin)

The dates for Mary Jacobs Prince are from her tombstone and her Pension Drop Order.

"Interview with Mysie Prince" - recorded at her home in Frankfort, Ohio, August, 1970 by Ted Griffin.

Mysie - Thomas Prince married Mary Jacobs, whose father was a white man, but her mother was an Indian. He advised Thomas Prince not to marry her. He said she'd always been hard to get along with. But Thomas didn't take his advice. That's just all heresay though, just what I've heard talk. She got pretty old and... I think maybe she'd married again because she had some more children. But I've heard Ozella talk about Aunt Mary "D", then there was another one...But an aunt of Ozella's did come and live with them, Aunt Becky. she didn't marry. Her name was Becky Prince.

TG - George's sister?

Mysie - Yes. George's daughter told me that there was 6 children all together. Two died in infancy. Dorothy Stillman could tell you more about it as her father lived with her.

TG - I wonder if I have Dorothy Stillman's address?

Mysie - Here's Scott's wife. It used to be Brandon Ave. It's 4053 Clairmont Street, S. W., Roanoke, VA. She could tell you about who'd have more information. She's Scott's 2nd wife. Mrs. W. S. Prince. Here is Carter's brother Charles W. Prince. He's living. He and Sarah are the only ones that are living.

Mysie - Write to Scott's wife. You might ask for the boy's address. Scott had three sons.

TG - Who'd Dorothy marry?

Mysie - A Kentucky fellow. I don't remember his name. I don't seem to have Dorothy's address.

TG - Well, I could get it from Nellie.

Mysie - Here it is.

TG - Mrs. Manley Stillman. You said Thomas was short and sandy-haired? You knew her as Ruth Jacobs and not Mary. Everything I've heard on our side called her Mary Jacobs. Maybe her name was Mary Ruth. But her mother was Indian?

Mysie - Yes.

TG - That's where the dark came from.

Mysie - My grandfather, Hupp was my name, he was with Sherman on his march to the sea, so probably Thomas and he were in the same territory.

TG - Did your father-in-law get married in Kentucky?

Generation 2 (con't)

Mysie - Yes.

TG - Where's he buried?

Mysie - He's buried back on the home farm, at Twin Branch, Lawrence Co., KY. Twin Branch isn't a town, just a place. He and his wife and 2 children that died when they were young are there.

TG - I have on record that there were 5 children that lived. If there were 6 in all, only one died.

Mysie - Well, that's where you'd better get in touch with Dorothy's, she would know. I understand the Princes came across the mountains from Virginia, but that's all I know about them.

TG - Did you start to say before that a neighbor reported seeing Thomas Prince the last time?

Mysie - Yes, it was after a battle and he was wounded and drinking from a stream, down in Georgia someplace.

TG - I had heard from Aunt Ella(Prince) Spence that he was shot by a bushwacker from a tree.

Mysie - He was killed there then?

TG - Well, no, not necessarily. Maybe just wounded and this neighbor saw him later.

Mysie - They said too that when he was in training he took his two oldest sons with him. Until he was sent south.

Mary could neither read nor write and her name was listed as "Mary S. Prince". Her father was born in Virginia and her mother in Kentucky. She names Ira Perkins, age 9, Lula Perkins, age 7 and Claud Perkins, age 2 living with her. Also Mary Little, age 39 and her daughter Lara or Lora, age 8 also living with her. WILSON PRINCE VS. HUGH BOGGS, July 27, 1846. This appeal bond was filed by Wilson Prince (with John Prince his surety) because a judgement had gone against him and in favor of Hugh Boggs. In October of 1845, Prince filed suit against Boggs "for forcibly carrying away one pair of mill stones" worth \$5.00.

Answer of Hugh Boggs, not dated: Hugh Boggs testifies he was a constable of Lawrence county and "whilst such a constable an execution issued from the office of Justice of the Peace, D. Curnutt, in favor of Detroit Burton." Burton at that time was plaintiff against Wilson Prince. Boggs further testifies that on Sept. 22, 1845, he was directed to recover the mill stones. Thus, this suit evolved.

Supoenas were issued for the following: Thomas Prince, Roscoe Griffith, Isaac Hensley and wife, James Hensley, Jon Prince, David Griffith, and Wm. J. Whitley. No deposition was enclosed.

FINAL DECREE: Jury found for defendant.

Phil,

The WILSON PRINCE vs. HUGH BOGGS court case demonstrates the wealth of information that can be gleaned from seemingly innocuous law suits. This case gave us some firm dates and the names of John Prince, Wilson Prince and Thomas Prince. Also included are David and Roscoe Griffith and James and Isaac Hensley. The Prince's intermarried several times with the Griffith and Hensley families. Wilson Prince married Zelpha Griffith. James Prince married Lavina Griffith. John Prince married Elizabeth Hensley. I'm sure David Griffith, Roscoe Griffith, James Hensley and Isaac Hensley are closely related to Wilson Prince.

Notes for Carter Henry Prince:

According to my Great Aunt Rosella (Ella) Prince Spence, when Carter was older, he could see but not good - he had granulated lids. His wife had to keep them picked out. He could see to work in the field etc. It started from being hit in the eye with a chip while chopping wood. Sun on the white snow really bothered him. Carter had money from saving. When he got married, he saved every dollar he ever made. He was good-hearted though and loaned a lot to people, many could not make good, so he lost a lot.

(Ted Griffin)

Carter wouldn't allow Elizabeth to go to town, he was very jealous. He took her out into the woods and built a house because he wanted her away from everyone. Elizabeth's parents were rather well-to-do and Carter told her when they married that she had to cut all ties with her family. She was the only child and she gave up thousands to marry him. Carter wanted her dependent on him. Elizabeth was really cheerful and loved life but Carter wanted control and power over her.

(Notes from Mabel McComas)

Notes for Sarah Elizabeth Sparks:

Elizabeth came to Portsmouth, Ohio while still a young woman, where she worked for a family by the name of Brown. It was there that she met Carter Prince and they were married and presumably both she and Carter continued to work for the Browns. After Mrs. Brown died, they were both asked to stay on but Carter was very jealous of Elizabeth and took her away to live at Buffalo Creek, WV. Elizabeth loved music and dancing but Carter would not allow any music in the house. According to Rosella Thompson Ash, Carter was 9 when the Civil war broke out.

After Carter died of a stroke, Elizabeth stayed on at the old home and raised Anzo, Floyd and Charlie, as their Mother (Hurston's wife Modenia) had died when Anzo was born.

(Mabel McComas Hall)

Interred in Mount Vernon Cemetery, Wayne, WV. Elizabeth lost touch with her mother (Annie) and brother Jeff for some reason. She moved to White's Creek WV for Carter's health, as he lost his eyesight while yet a young man. One day a "Drummer" came through the county selling "Wonder of the World" liniment and told her about a Jeff Sparks living in Ceredo, WV, which was about 15 miles away. (This happened during the big flood of 1884.) All her children remember seeing their Uncle Jeff for the first time. Elizabeth saw him coming from a far distance and knew his walk. In later years, she told this story time after time. Jeff brought their mother Annie Ryster Sparks, to see Carter & Elizabeth, and she lived with them for many years. My mother (Dorothy Prince Griffin) can remember Uncle Jeff visiting her and her step-parents Ross & Mary Ann Prince in Nebraska, and he was as erect as a young man, with a moustache and black piercing eyes. (The preceding was told to Dorothy Prince Griffin by Aunt Emma Prince Thompson.)

Generation 3 (con't)

(My brother George (Shelby)) was appointed guardian and administrator of the farm after my mother and father died. He could remember all that stuff about the family. (My brother Scott was the youngest and he always took his vacation in the summer and went back to the old home place. That was when George lived there. These two were always interested in the family history and once they went back in what I think was called Breathett (?) County where (our grandfather) Thomas Prince had lived. Well, the house wasn't there but Scott said there was an old man there that showed them where the old house set. Of course that's been so long ago that no one would be there now that would know about it. I don't know where that county is, if it's close to Lawrence County or not. You'd have to get a map.

They always told me that Prince was a French name. George always told that there was some Indian blood in the family, we all had high cheekbones, but (our grandmother) Mary Jacobs didn't look like an Indian at all. She lived to be about 82 years old and she died just before my father did, about a year or two. She had a younger daughter named Kate (Catherine). Kate was the youngest and after Thomas was killed she lived with her mother, after she (Kate) got married. Then one time when my father bought an adjoining farm that had a house on it, why she lived there one time for about a year or two. You see Mary got a government pension because her husband was lost in the Civil War and my father John was only seven years old when Thomas left for the Civil War and Willis Prince raised him. Willis Prince must have been an Uncle of his, or Thomas' brother.

Then there was aunt Emily Jane, she married a Derrifield and they went to Wenatchee, Washington and took up a homestead, and my father (John Franklin Prince) used to hear from them. Aunt Emily died about a year before my father did.

Here's the names of my father's sisters. Aunt Emily married the Derrifield. Aunt Martha married a fellow named Perkins. I only saw her once. I remember when Aunt Mary died, she left one daughter. Aunt Kate was the youngest. Now you have a Lottie listed, and I don't know anything about her. Aunt Becky wasn't a sister to my father, she was his Aunt! She was real old so she must have been Thomas' sister. She just went around and stayed with the different relation, she was a little old skinny woman.

Now Emily, who went to Washington, took up a homestead. It was great fruit country out there and my father always heard from them once in a while. They had two girls and two boys. They came back the next year after my father passed away. Aunt Emily had died and this Derrifield had a second wife, and these two boys was about my age and a girl about 17. I think there was a girl and a boy that was married. My hair was always real light brown, the rest of the kids all had black hair, and my father always said I had hair like Aunt Emily. When they came back, I was only 12 or 13 years old, and they wanted to take me to Washington with them to be just one of the family, but my brother was guardian an administrator and he said he was going to keep us all together.

New Thomas would have been born over around there in Breathitt County. See, Scott was hunting up the family history and of Course Scott passed away and his second wife sold the property and let the bays take what they wanted, and what they done with the history I don't know. Scott and George went to Breathitt County and the house was gone but an old man there told him where the house had set. That was where Thomas was born.

Scott had three sons. Bob's the youngest. He took a lot of the stuff. He was in Roanoke when Scott died and Scott's wife told the buys to take what they wanted. Her mother had died and (she) had a 1 floor-plan home and she was going there to live and sell Scott's big two story home. Bob took a whole truckload. Then Jim came

Generation 3 (con't)

from Savannah, Georgia and he took what he wanted. Bill (or William) is the oldest and was in California with the space program as an electrical engineer. He was one of the first to get laid off in the government cut-back. Then he went back to Philadelphia and I don't know his address there.

I'm pretty sure that Thomas' wife's name was Mary Jacobs, not Ruth. By my father and mother passing away when I was just a kid, I never learned much about the family, just what I get from George. He was older. The old home-place, up on Twin Branch, they drilled up there for oil and gas. Then they tapped it up. They claim there's gonna be a lake put in up there and that land's gonna be bought up. The roads up there never were too good but the oil rigs tore them up even worse. Webb was a baby when my parents bought that farm and moved there. The rest of us was all born and raised there on Twin Branch.

When my father bought that adjoining farm, Mary (Jacobs) lived there for 3 years. You could see the house from our place. It wasn't very far. She lived by herself but it wasn't over a couple of blocks away. It was just across the road from our house in that level strip. They drilled for oil in the bottom past the house there.

I've always heard it told that my father was three when Thomas left for the Civil War and his Uncle Will raised him. My brother Webb named his oldest boy Willis. In the 2nd World War he enlisted in the Air Corps and just about the time the war was over their plane was shot down and the whole bunch was gone.

I don't know why Mary couldn't raise the children and they had to go live with relatives. I wasn't big enough to remember hearing. I was just 11 in December and my mother died in January. Then the next December I had Typhoid fever. Webb had it and my father had it. We was already up and well but my father's heart was weak and he passed away.

I don't know if Thomas and Mary had owned a farm, rented or what. Why she didn't hold the family together I don't know. My father was only three years old, and Kate was the baby. The eldest was probably 15 or 16. if you say Carter went to War with his dad, so there was a house full of children. If they didn't own a farm, who was going out there in them hills to scratch out a living" I don't know.

My father (John Franklin) was the rural mail carrier up there. There were several offices there from where we lived into Louisa. He'd start of a morning, head far Louisa, get in there, eat lunch, feed the horse, then start back, stopping at all the places.

After the (Civil) War, Mary got a pension, that's what she lived on when she lived there by us. Then she lived with Kate. She was there when she died. She died in her sleep. She had told them some time before that she wanted to be buried there in John's family cemetery. I remember that well, I was a kid in school down there at the fork where Twin Branch separates. The school is just up the upper Twin Branch road a little piece. A fellow came an horseback and told the elder kids (I was just in first or 2nd grade) that grandmother had died. She was tall, straight and lived to be 79. She didn't resemble an Indian at all. She must have been pretty young when Thomas was killed, probably in her 30's. Then she lived with Kate after Kate was married. Kate's real name might have been Catherine and I can't remember her last name. I never heard of Lottie, but I remember Mary as one of her children.

Generation 3 (con't)

I remember when Grandma Mary died. Mary was a widow when she died. She had one daughter who went to live with the Adams' that had a general store and Post Office. Mrs. Adams needed someone to help out in the store. That was there on Twin Branch. This girl later married a Burton.

George's daughter Faye lives in Louisa. Nellie is the oldest and she lives around East Liverpool, Ohio.

Notes for Luther Prince:

From Luther Prince - Louisa, KY

Transcribed from a taped interview by Ted Griffin

My dad was born on King's Creek above Blaintown, but they moved to Dry Ridge when he was a small boy. His name was William Vincent Prince. My Grandmother was Mary E "Polly" Ferguson. My Great Grandfather was named John. Dave (David Griffith Prince) was my grandfather. Uncle Jim had a store at Irad and a big water mill on Blaine Creek at Irad. He was my dad's uncle. There was only two of those boys and a whole houseful of girls. Aunt America, one married John Large and there was one that married Ben Carter, one married old "Preacher" Bill Copley, that was Aunt Nell (Melvina). Her daughter died just a while back.

Generation 4 (con't)

I don't know how we're related but I know dad and Uncle Sam and them used to go to John Prince's. Big John they called him, there on Twin Branch. Scott and Ramie went to school when I did. They graduated there in 1920. Ramie came to our house and stayed a week. She had a sister Grace and I took that girl to Oak Hill at the head of Daniels Creek and she had married a Holbrook after her first husband Lennie Goins had died. That was 50 years ago.

The Princes came in around Blaintown around 1820. They came from what is now Norton, Virginia. That used to be called "Prince's Flats". A lot of people that came into this section came from back there. My sister married Wade Muncie and the Muncie's came from Bland Co, VA. I got that about Prince's Flats from Tammy Jorden or Tammy Prince, Uncle Jim's daughter. I used to stay with them when I was going to school in Louisa. The Prince's are Irish. They said my great-grandfather (John P Prince) was a typical Irishman, just a great big fellow. He settled just over the hill from Irad they called it, up on Blaine. It's about three miles from the mouth of Daniels Creek on Blaine Creek here in Kentucky.

My Grandad David was in the Militia I think they called it in the Civil War. He came home one time when Uncle John (John Patton Prince) was a little boy and he left one of those blue jackets and Grandma cut it down and made Uncle John a coat out of it. A bunch of rebels came by there and they saw the coat on that kid and they tore it off him and threw it in the fire.

Webb used to come through here when I first moved here with truck loads of honey. He had bee-hives by the hundreds. He told me he had hives that would turn him off 80 pounds of honey.

Notes for Belva Alice Prince:

As a young woman Alice stayed with Emma (Prince) Thompson in Newell while she was working (probably in the pottery). There she met Ed who had black hair and was a likeable person. They were married when she was about 21 years old, in March at Lesage, WV. Then then came back to East Liverpool, OH and settled in the east end of town. They went to the Christian Church there. Two girls were born, Loyzelle & Mildred and Alice's father Carter Prince died of a stroke and Alice took the two girls by boat downriver to Huntington, WV. to the funeral. Then came Iva, Donald, Mabel and Harold, who was very little when their Dad decided to leave them. He was never seen again until Mabel's husband Glen took her, Harold, Floyd & June to find him in Columbus, OH in 1941. He lived on the outskirts of town with a woman named Frances (who he claimed to be his cousin). Alice had a struggle to keep six mouths filled after Ed left her. She gardened and sold eggs etc. until she moved to Newell and got work at Homer Laughlin China Co. There she worked 16 or 19 years before quitting. During this time Donald was killed sled riding. Alice never fully recovered from the loss. He had red hair and was 11 years old. Harold was killed in WW II, Sept 10, 1944. (Notes from Alice's daughter Mabel McComas Hall)
Alice is interred at Locust Hill Cemetery, Chester, WV.

Notes for Edward McComas:

Harold, the youngest child was very little when Ed decided to leave them. He was never seen again until Mabel's husband Glenn took her, Harold, Floyd & June to find him in Columbus, OH in 1941. He lived on the outskirts of town with a woman named Frances (who he claimed to be his cousin).
When Ed died he had no money or insurance. The funeral director called Glenn (Mabel's husband) at Homer Laughlin Pottery and wanted to know if the family would pay for his burial so he wouldn't be buried as a pauper. Glenn went to talk to Mildred, expecting her to say no, but she was willing to pay her share. Then Glenn called Mabel who called Iva. Everybody agreed. Glenn & Mabel & Mildred went to the funeral and the preacher said some very unpleasant things about Alice and her family. Glenn sought out the preacher afterwards and confronted him but the preacher said it was what he had been told and he never apologized. They all went home hurt, upset and insulted.

Notes for George Prince:

Interred at Mount Vernon Cemetery, Wayne County, WV

The 1920 Census lists his occupation as Teamster and he ran a logging camp. According to family legend, the steam engine that powered the saw blew up one day. The air was blue, not only from the fire that resulted but also the language that came from George.

Notes for Ellen (Ella) Ray:

Ellen died shortly after Dorothy (my mother) was born. She is interred at Mount Vernon Cemetery, Wayne County, WV.

Following is Faye Prince Ward's remembrances of her childhood as told to her daughter Janet Faye Ward Duevel -

*For some reason mother (Faye) never talked much about her childhood. I have thought and thought, but this is all I've been able to come up with.
Mother said she remembered her mother, Ellen Ray Prince, dying, because she saw the blood drip through the mattress onto the floor. I think she was about 6 years old at the time.
At some point (I don't know what age), mother and Marie went up to stay with Emma Thompson. I think it was the happiest time of her whole childhood.
Marie visited with us for a while when my oldest daughter was a few weeks old. She said that mother was the smartest of the four children, always got great grades. (Mother never mentioned it.) Marie also said that George told his children that they were not to associate with the tenant farmer's children; and one day, he passed on his horse as a group, including mother and Marie, walked home from school. Marie said that he was waiting for them when they got home with a switch in his hand, and he gave them a good "hiding".
Mother and Marie said that Mary couldn't have children of her own, and as her mother died when Dorothy was born, Mary went to George and told him that she would raise Dorothy, and George agreed.
I do know that George remarried, but I'm not sure just when. My thinking is that it was after the children were much older. He died of pneumonia when I was a few months old (1935).*

THE DRAW SHEET - Published Monthly for the Personnel of Mease Hospital and Clinic
October 25, 1968
In special ceremonies this afternoon in the cafeteria it was announced by Donald M. Schroder, administrator, that Dorothy Griffin of the medical records department had been named this month's achievement award recipient.

Mrs. Griffin has been employed at Mease Hospital since May 1957. All of this time, however, has not been spent in the medical records department. Mrs. Griffin served as a nurses aide and ward clerk before joining the medical records staff.

A resident of Clearwater, Mrs. Griffin spends a great deal of her time caring for her elder mother who lives with her, this "caring attitude" is typical of her, employees say.

"She is even tempered, kind to everyone and has a patient and kind approach to everyone she deals with," one employee said of the award recipient.

Mrs. Griffin loves music and her Wednesday evenings are always spent at her church practicing with the choir. She is the church pianist. Mrs. Griffin also has a son who is endowed with a talent for music. Currently he is a music teacher in the Chicago area.

"She is apparently very faithful to her church work because she is always looking forward to the Wednesday night practices," a fellow worker said.

"She is always more concerned with finishing a job than she is with going to lunch or coffee," said another employee. Everyone who knows her admits this. She simply enjoys people and she likes to do things for them that make life a little more pleasant.

"Mrs. Griffin has the knack for knowing when others need help," remarked a friend. "When employees are hospitalized, she sees that they get cards of cheer."

Comments often made about Mrs. Griffin include: "kind and helpful to everyone; always thinks of others; her help is frequently instrumental in solving departmental problems; 'one in a million' when job comparison is taken into consideration; friendly attitude shows up more and more in dealings with other departments; sincerity and dedication to job are outstanding characteristics; sets a good example for other employees to follow."

"Mrs. Griffin is an employee who truly exemplifies what the achievement awards program is all about," Schroder said in making the presentation. Medical records and all of Mease Hospital are better

places to work because of people like Mrs. Griffin.

It is noteworthy that in discussions about Mrs. Griffin, fellow employees admit it is hard to get information about her. "She simply doesn't dwell on herself," it was said of her, "it seems that her thoughts and actions are always dealing with someone else or some deed that she can do for others."

Thus, it is easily understood why Mrs. Griffin was chosen by the Committee of 21 to be this month's "model employee". She is the type of employee others like to work with and she can always be depended on to pull more than her share of the work load.

She now joins Marge Kenimer, Edith Fullerton RN, Helen Doss and Milbrey James as proud owners of an engraved silver bowl. Her name has also been placed on the permanent achievement award plaque in the Hospital.

Dorothy's mother died when she was about a month old and she was taken by her Uncle Ross Prince and Aunt Mary Irby Prince to be taken care of.

Dorothy is buried in Hillcrest Cemetery, Wayne Co., WV.

Notes for Fred Verl Griffin:

Barbara and I (Ted Griffin) were at Uncle Floyd's around 1970. This is the transcription of a tape recording I made of Dad telling about his first girlfriend Pearl:

Dad - Carl Markle and I were good friends. We ran around a lot together. He had an automobile and plenty of money. I introduced him to Pearl one time and then I went back up to Chester to work and I dreamed one night that she had a date with him. I dreamed what night it was, where they went, and even what the show was. It sounds ironic to you but it's the truth. I came down in a couple of weeks to see her and accused her of it. I was only using psychology. She bitterly denied

Generation 5 (con't)

it at first, and I just kept on. I said, "now Pearl, there's no use for you to lie to me. I know it happened." Finally she admitted it that she had gone to the show with him, on that particular night and it was the show that I had dreamed it was. So I broke the engagement and asked her for the ring back.

Ted - Did you ever think that because you were accusing her so vehemently she just said OK, I did it?

Dad - No, because I talked to Carl. I didn't get mad about it.

Ted - Well, you should have.

Dad - Well, maybe I should have. But I didn't, and Carl and I had talked about it later, and he apologized and he said "Fred, I wouldn't do it any more". But I had already asked for the ring back and, that was before I'd seen Carl. In a short while she married him. I was going to get around to asking her today how long it was. I knew that she married him soon after.

Ted - You never really mentioned any of this today (when we visited her)? You just beat around the bush about it?

Dad - Well, the only way it was mentioned was when I mentioned that song that we used to sing, the "Broken Engagement". She said, "I never heard of it" and snickered, which indicated to me that she did understand.

A story Dad (Fred) told me (Ted Griffin) -

Greely and Amana Hurst lived in the little house down at the road where you turn in to go up to our place (in Mole Hill), that Arthur Fleming lived in, I believe, when you were a kid. They had a little girl and they bought her one of those little automobiles you peddle. I thought that was the greatest thing in this world. I'm telling you, I can look back on that now and, I can remember how I felt about that little car. We didn't even have a real car of our own to ride in. Greely did, and of course we all looked up to him as he was a school teacher and he had money to buy whatever he needed to buy, and none of the rest of us neighbor on the run had anything like that. Well of course he could buy her all kinds of toys. Anything she wanted, she got. Carl and I didn't have that pleasure. Gee, we would go down there and play with her toys and that little car was just it. I was just a little too large for it, but I'd force myself in. I'm telling you, I had a world of enjoyment out of that thing. And of course she didn't care too much for it, her being little girl, she wasn't too crazy about it. But me, I sure was. She had a tricycle I remember, and oh how I used to love to ride those toys and play with them. I don't know if you've heard me tell this before or not but I think I'll interject it right here. It was the only time in my life that I ever remember stealing anything. They had candy sitting around in dishes all the time, that she could eat candy whenever she wanted it. They were gone from home one day and Carl and I went down apast, and I don't know why we looked in the window, but in the dining room, there set a big dish of candy in the china cupboard. We could see it as we looked in through the window. So we tried to get in without damaging anything, but we had to cut a hole in the screen or something, to unfasten the window. I don't remember now why we cut the screen. But anyway, we knocked a hole in the screen and climbed in through the window and got ourselves some candy, and climbed out, and closed the window. Well, of course, Greely and Amana mentioned it to mother, and she of course took us to task about it, and we first denied it, but we couldn't hold out so we finally admitted it. So she took us down and gee, I'll never forget that talking to that we got. Greely wasn't mad. He was just a nice person. Everyone liked him. He was the type that was a happy-go-lucky sort of person. As I remember him, always cheerful, jolly and friendly with everyone. Of course being a school teacher in the area we all looked up to him, and he was a very good looking man. I remember that. He set us down and started talking to us and I remember he said to us "Do you know that I could call the police? I could turn you over to the authorities." And then he went on to describe what the penalty would be for breaking into a house and how that we could be locked up, put in jail. Well that scared the very life out of Carl and me. I'm telling you, I have thought about that an awful lot of times. But I never was guilty of ever doing that ever after, of going into anyone's house, believe me!

A lot of the things that I went through and suffered and I mean suffered really, when I got up to where I had to go to work, and I wasn't very old when this happened, and I don't imagine that you'll believe some of the things that I can tell you that happened at the age that I was when I went to work and did many times a man's job. If kids today had to do what I done and of course this is typical for I've heard it all my life. My Grandad Daniel, I've heard him tell about "well if kids today

Generation 5 (con't)

did what I had to do when I was a boy, they couldn't take it". This, I guess I'm dating myself when I talk like this, but it's very true, the kids today just don't do it, in fact the men don't do it. The men now work 7-7 ½ and not over 8 hours a day and that's it. They're to work at 8 in the morning and get off at 4 or 4:30 in the afternoon and that's it. Now, it didn't work that way back on the farm. We never worked less than 10 hours a day and many days we worked 12 hours. I used to take the team of horses and go away from home and work for other people. I would get up at 6:00 in the morning, go to the barn and feed and water the horses and harness and get them ready and come back to the house, eat breakfast and be out in the field working at 7 in the morning. I'd take the team into the barn and feed and water them again and go eat my dinner and go right back and we had to be in the field at 1:00.

I don't ever remember seeing Isaiah Griffin. I remember when I was just a little lad, hearing Grandad Daniel and my Dad Lindsey talk about Isaiah but I never did see him. Grandma's name, as I remember was Virginia. She was always called "Ginny". I know Grandad Daniel lots of times when he'd get to joshing her about something, he would call her "Ginny", so I'm sure that's where the nickname arrived. When he was in a good humor and teasing her, and he did once in a while, he would use it.

I went to school with Hadsell, Ruth and Lucille Rowe and I never knew, I guess, what the connection was with the Rowe's and the Doaks but I do know this, the first funeral that I attended was Ike Rowe, and he was married to Ida. It sticks in my memory because it was a horse-drawn hearse and it was black and it had curtains on the side and I thought, "Isn't that a beautiful thing". Now the same kind of a horse-drawn vehicle carried my mother's Mother (Susannah Mercer Cline) and I believe that mom was still carrying me some. Ike Rowe lived about a mile on up the road from where we lived and he had a grist mill that he ground corn meal for people. Dad would load up a bag of corn, throw it across a horse and put me on top of it. I'd take this grain up to him to grind and I'd stand around there while he ground the meal. Then he'd load it on my horse and put me on it and I'd start back down the road again. Then when he died, Hadsell then, Marcellus' boy, ran the grist mill.

The little house on our farm (in Mole Hill) where Grandad Daniel lived, I guess now we had sold that house to Arthur Flemings when you were a kid. We didn't own it. You see, Dad Lindsey at one time bought one acre of ground off of Greeley Hearst when he owned that property, to build that house for G'dad Daniel & G'ma. They got to the place that they had to be near someone to look after them, to get the groceries and kind of care for them just like my dad and mother needed when Floyd took them to Parkersburg. So Dad bought this acre of ground and built this little house for G'dad and G'ma. They lived there, I don't remember how many years. Then Everon, the youngest son (Dad Lindsey's brother), he came there and lived with them for quite a period of time. You asked me where G'dad and G'ma Griffin came from, on up the road, well, about ¾ a mile, maybe ½, they lived on Pearl Beard's farm. And I believe that's where my Dad Lindsey was born. If he wasn't born there, that's the first recollection that I can remember him telling about his growing up. How he used to go out dating girls or be out at night at least, and come in way late in the night and how his Father Daniel always made him get up and build the fire in the fireplace before they would get out of bed. My dad, I've heard him tell that many times and he sort of resented that. In fact I think he resented it a great deal, because of then they slept downstairs in the bedroom just off of the living room, since you don't know the house, but it was similar to our farm home in that respect, in the room locations, and he would have to get up from upstairs and come down the cold stairs and build a fire in the fireplace and get it all warm in there before his dad and mother got up. I think that was unkind too, of them. No matter what he had been doing, or what time he got in, boy, he said he always had to do that. He never did make any of us boys do that. He always got up of a morning and built the fire in the fireplace and when we got up there was always a big roaring fire and he was gone to the barn to feed the horses and cows. Well, that's where G'dad Daniel and G'ma lived for years. When they left there, they went to Central Station. That's where I first remember my G'dad Daniel and G'ma. That was the first place... (isn't it funny how things will come back to your mind)... that I was ever introduced to peanut butter. Oh I'm telling you, that peanut butter was so good I can taste it now. G'ma "Ginny" always kept boarders (at Central Station) and she kept a rooming house. She was one of the greatest cooks in the nation. When we'd go up there, there would always be several of us at the table and of course she had enough of money to buy what she needed for the table and she always had everything that you could think of to eat. This one Sunday she had peanut butter on the table and I'm telling you, I

Generation 5 (con't)

eat peanut butter until it ran out my ears. I got ashamed of myself and I would slip in and get in that jar and I'd eat it by the spoonfuls. I didn't want to put it on bread. I got sick that afternoon, Lord I got sick. I threw up things that I never eat I'm sure. I never liked peanut butter again for years.

After they lived in the little house there that dad built, my memory becomes a little bit of a blank. They moved away from there, oh Everon I guess bought property at Greenwood, and they moved there. Seems to me that Dad Lindsey and his brother Everon had a falling out. Gee, I just can't remember that. And do you know, I can't remember Grandad Daniel & Ginny's funeral. That would have been years later and I was quite a grown chap. That's odd. I never thought of that until right now. I know they were buried at Mole Hill. They died years after my G'ma Susan Cline and I remember that, because the horse drawn hearse sticks in my memory so vividly. I also remember that Dad Lindsey had a surrey and it had the fringe on top. It was two-seated and that's what we went to the funeral in. He had side curtains that he could let down to protect you if it was cold weather, and it was cold! There was snow on the ground. Mom (Maude) and I was wrapped up in a blanket, and mom was crying. I couldn't understand the whole bit. I was certainly taken with that ambulance.

Robert Dotson was my school teacher for several different years. I remember him so well! He was a very good teacher. He used to ride horseback to school, tie the horse out by a tree and take the saddle off. Every day at noon a lot of us boys would go with him and help him feed the horse. He would let us take turns riding the horse to water. I'd get to ride it one day and somebody else would get to ride it the next day. Gee, this was a big treat for us, even though I was born and raised on the farm and could ride the horses at home, it never was the same as riding somebody else's horse. We rode horses a lot on the farm without the saddle, but he had a nice one and this was a big thrill to me. I remember one time, there was a boy in school by the name of Chandace Hickman. Mr. Dotson told him to do something and Chandace says, "I'm not gonna do it". Mr. Dotson says, "well you will do it", so he came back and got ahold of Chandace and Chandace started wrestling with him and they upset my desk, and liked to scared the daylights out of me. Until you went to one of those old fashioned country schools, you have never lived. All the classes, geography, history, reading, spelling and arithmetic, the whole bit was all taught in the same room to all grades up through and including the 8th. I don't know why students were as large and as old as what they were when they finished the 8th grade back then, but it seems to me like some of them, when they finished the 8th grade, was great big, almost grown men. I went to the 8th grade 3 years. I graduated the first year, got my diploma but I didn't have anything to do the 2nd year, and the 3rd year, so I just went back more or less because I didn't have anything else to do. There was no work. I don't think I went the full year the 3rd time but I now I did the 2nd year. I enjoyed going to school and I just went through the 8th grade three times. The teacher didn't object. (Fred Griffin - 1970)

A Mister Mason and his wife at one time ran a grocery store in Pennsboro. Mom (Maude) sold cream to them. We used to milk the cows and separate the cream and then we'd put it in 5-gallon cans and take it to town. Sometimes we'd have two 5-gallon cans. We'd take it in there and it'd be sent to a creamery somewhere and they made butter, cheese etc. Lucy Davis, who lived on up the run above us, her sister one day took in a 5-gallon can of cream to Mr. Mason and she says, "Mr. Mason, I've got to tell you something about this cream. A mouse fell in it and died, but I re-strained it so it's alright now". I've heard Mr. Mason tell that and laugh about her re-straining the cream to take the dead mouse out, and expecting him to go ahead and put the cream on the market for people to eat.
